

## Ukrainian for language enthusiasts podcast

## Episode 1.11. Великдень. Easter.

Paska (паска) is traditional Ukrainian breads served at Easter (Великдень). It is yeasted, sweet, enriched bread. Paska tends to be wide and round with dough shaped on top to form religious symbols or decorative shapes.

- Привіт! Звідки йдеш?
- Купувала барвники для великодніх крашанок.
- А на паски щось купила?
- Ні! Цього року я вирішила купувати.
- А я хочу спробувати спекти сам.
   Знайшов в інтернеті відео-рецепт.
   Здається все не так складно, як я думав.
- Оооо! Будь обережний. Тісто на паски дуже примхливе!
- Ой, тепер я вже не такий впевнений в собі.

- Hello! Where are you coming from?
- I have bought dyes for Easter eggs.
- Did you buy something to Easter bread?
- No! This year I decided to buy it.
- And I want to try to bake it myself. I
  found a video recipe on the Internet. It
  seems that everything is not as difficult
  as I thought.
- Oooh! Be careful. Pastry dough is very capricious!
- Oh, now I'm not so sure of myself.
